

# Financial Literacy at Mypolonga Primary School

## Melbourne Declaration on Educational Goals for Young Australians

Consumer and financial literacy encompasses both knowing about money matters and being able to apply that knowledge effectively across a range of contexts, including online and digital contexts. Students develop important knowledge, skills, values and behaviors that enable them to:

- Be enterprising, show initiative and use their creative abilities
- Embrace opportunities, make rational and informed decisions about their own lives and accept responsibility for their own actions
